

## MATERIAL SAFETY DATA SHEET

<b><u>Product</u></b>	<b>SYNTECH 15W/50 API SL/ CF (code 109)</b>
<b><u>Use</u></b>	For Use in petrol fuelled engines.
<b><u>Ingredients</u></b>	Refined mineral and chemical additives – determined to be non hazardous
<b><u>Physical Data</u></b>	Density @ 15°C           0.853 Flash Point (°C)        Typical >220 Viscosity cSt @ 40°C   115.5
<b><u>Fire &amp; Explosion Hazard Data</u></b>	Flash point over 170°C. Will not burn unless heated to high temperatures. Extinguish fires with CO2, Dry Chemical, Foam or BCF. Fire Fighters should wear self-contained breathing apparatus if fire is in a poorly ventilated area and is too large for hand-held extinguishers
<b><u>Health Hazard Data</u></b>	Eye Contact:            May cause mild irritation Skin Contact:           May cause mild irritation Inhalation:             May cause mild throat and nose irritation if inhaled at elevated temperatures Swallowed:             May cause mild gastric irritation
<b><u>Emergency &amp; First Aid Procedures</u></b>	Eye Contact:            Flush with water for 15-20 minutes Skin Contact:           Wash with soap & water Inhalation:             Remove to fresh air Swallowed:             DO NOT induce vomiting <b><i>IN ALL CASES SEEK MEDICAL ATTENTION IF DISCOMFORT PERSISTS</i></b>
<b><u>Reactivity Data</u></b>	Product is considered stable under normal use conditions Incompatibilities:      Strong oxidisers Hazardous decomposition product
<b><u>Spill or Leak Procedure</u></b>	Contain spill and shut off all sources of possible ignition Absorb on fire retardant material, sand or earth. Follow State or Local Authority regulations for disposal
<b><u>Storage &amp; Handling Procedure</u></b>	Not defined as Dangerous Goods for transport by road or rail. Store away from heat, oxidising agents, food stuffs and clothing, No health risks are expected as a result of normal handling.
<b><u>For Information Contact</u></b>	<b>OTECH AUSTRALIA</b> Cnr Boundary Rd & Potassium St NARANGBA QLD 4504 Phone: (07) 3203 2833 Fax: (07) 3203 3700
Where the information provided in this bulletin indicates a potential hazard, adequate warning should be given to all employees or users and appropriate precautions taken, including the practices of good industrial hygiene.
